Dear Families,

**MMM (Maffra Makers Market)**
We did it!!!
Congratulations to all involved with MMM over the past weekend. It was a truly mighty effort and now ensures all costs for the pool renovations are fully paid! The feedback from stall holders was extremely positive commenting on the excellent organisation in place and the venue ticks a lot of boxes.

The event grossed over $9 500 and we are looking at a healthy dividend of approximately $7 500 plus.

A huge thankyou to Pat Anderson, the massive commitment from all MMM committee members since November 2017, the hardworking members of P & F with kitchen operations and so many families and staff who helped out over the weekend.

As mentioned in previous newsletters the RSL were very supportive of the event being on Remembrance Day and assisted the school with the observing of a minute’s silence to honour the fallen. Thanks to Maffra RSL members Joan Beales, Craig Baxter and Kit Sargent for their assistance in organising this on the day.

**Pool Renovations**
Due to the Maffra Makers Market, the Fun Run and numerous other events coordinated by P & F, the pool renovations are now fully paid for by the school. As you would be aware, School Council approved for funds from other Budget lines to transfer temporarily to pay for the pool and repaid as the school community raised the funds to cover such costs. Students, staff and the community can now set fundraising priorities and targets for 2019.

**GTAC Excursion**
Today the year 5 & 6 students are off to Parkville in Melbourne for Robotics Science Education. I look forward to hearing about their day.

**Year 4 Bike Ed**
Bike Ed has made a great start this week coordinated by Miss Glover. We still need parent helpers to make this program possible. If you can help please let Miss Glover or the office know.

**Classes 2019**
Planning for 2019 is now at the stage that families can be informed about classes for the new school year. A lot of time has been allocated to finalise class structure to best support learning and social connections between students. Attached to the newsletter is a letter with more information and how you can contact the school if you are considering a request for your child/children’s needs for 2019. Please see the following page for classes and staff for 2019.
Class Structure for 2019

Lost Property

What happens to lost property?
Any items of school uniform that have name tags (usually jumpers) that are found in the playground or elsewhere at school are returned to the student. If the item of clothing is unnamed and there are many, then the item is stored in a wicker basket near the office for students and families to check for their missing items.

If the items of clothing remain unclaimed then the items then become available for families as second hand sales (gold coin donation) or used to “top up” the “SWAP AND GO” service for families.

“Swap and Go” is a service for students who are out of school uniform or forget to bring a jumper on a cold day. Students borrow the items required without questions asked and return to “Swap and Go” at the end of the school day.

I would like to remind all families to name uniform items and come and check lost property if your child is missing any items of school uniform.

I would also like to thank Jolene Langshaw who voluntarily manages uniform and to the P & F’s who support second hand sales and the Swap and Go program for students.

Casual Day Reminder

Junior School Council announced at last week’s assembly that there will be a Yard Acknowledgement tomorrow. Students may wear causals tomorrow. Please note students cannot wear singlet tops and must wear closed footwear for sun smart and safety reasons at school.

November School Council Report

Thanks to President Kate and to members for another productive meeting.

The following key points were discussed:
- Buses 2019
- Pupil Free Days 2019
- Uniform Supplier
- Chaplaincy Program 2019
- Vic Swim Summer Vacation Program
- Building Program

BIKE ED - URGENT HELP NEEDED

The grade 4 students have been working hard during the bike education program and are ready to put their skills to the test on the road. However, we currently have no helpers for this and their road ride will not be happening. It is on Monday the 19th November. If you or someone you know can help out, can you please contact the school ASAP so this can be arranged for the students.

We need helpers to ride with the students and helpers on 4 corners. Your help would be greatly appreciated by the students and myself as they have been working so hard during the program.

Melissa Glover
Congratulations to the following students who have been recognised for their achievements, behaviour and attitude over the last week.

Classroom Spotlight - 1/2P - Mrs Porter

1/2P CLASSROOM MATHS SPOTLIGHT!!

Students have enjoyed many hands on maths activities this term, including:
- Creating ‘array cities’ for multiplication
- Measuring length using centimetres
- Playing number games with a partner
- Using laptops to measure length using formal and informal measurements

Students are looking forward to learning about how to measure capacity and mass.

Tomorrow’s Recess Special is Party Pies, 50c each.

As we get closer to the end of the school year, things get a little crazy; we will be sending the end of term Hot Dog Order Form home a little earlier this time, please keep your eyes out for it next week!

Just a reminder that our new 2019 students will be able to place a lunch order on their next transition day; Thursday 22nd November.
If you have a student starting school in 2019 and need a lunch wallet, you can order one at anytime via us or with uniform from parents & friends.

Enjoy!
Miriam & Amanda

Spare Bathers & Towels Needed

Do you have any spare bathers and towels that you could donate to the school. Smaller sizes especially. 
Thank you

Indo Info
The Foundie grades continued their little books called “Keluarga saya” - My family. This week, we added boy—laki laki and girl—perempuan for their brothers and sisters.

Our first visit to the vet and doctor will go ahead next week. Please assist your child to learn the script. They already know many of the words!

We do still need some stuffed animals for our vet visit—but please send the types of animals that would visit the vet!

Please be mindful: Other students will handle these toys and I will need them for 3 weeks or more.
