Prep/Foundation enrolment

Starting school is an exciting time for children, parents and carers. We want to help make the enrolment process as easy as possible for you. Each year, the department releases the Foundation (Prep) Enrolment Information Pack for Parents/Carers, with information packs available from the beginning of Term 2 for students commencing foundation/prep the following year. These information packs, and other important information, can be found on the [Enrolling in Foundation \(Prep\)](#) page of the Victorian Government website.

School zones

Our school zone is available on findmyschool.vic.gov.au which hosts the most up-to-date information about Victorian school zones.

Students residing in our school zone are guaranteed a place at our school, which is determined on the basis of your permanent residential address. Our school also has additional capacity available to welcome students who are outside of our school zone.

Our school manages enrolments using the [Placement Policy](#) to ensure that students have access to their designated neighbourhood school and may enrol at another school, if there are available places.
