ACCESSING YOUR INFORMATION

All individuals, or their authorised representative(s), have a right to access, update and correct information that our school holds about them.

ACCESS TO STUDENT INFORMATION

Our school only provides school reports and ordinary school communications to parents who have a legal right to that information. Requests for access to other student information must be made by making a Freedom of Information (FOI) application through the Department's Freedom of Information Unit (see below).

In some circumstances, an authorised representative may not be entitled to information about the student. These circumstances include when granting access would not be in the student's best interests or would breach our duty of care to the student, would be contrary to a mature minor student's wishes or would unreasonably impact on the privacy of another person.

ACCESS TO STAFF INFORMATION

School staff may first seek access to their personnel file by contacting the principal. If direct access is not granted, the staff member may request access through the Department's Freedom of Information Unit.

STORING AND SECURING INFORMATION

Our school takes reasonable steps to protect information from misuse and loss, and from unauthorised access, modification and disclosure. Our school stores all paper and electronic records securely, consistent with the Department's records management policy and information security standards. All school records are disposed of, or transferred to the State Archives (Public Record Office Victoria), as required by the relevant Public Record Office Standard.

When using software and contracted service providers to manage information, our school assesses these according to the appropriate departmental processes. One example of this is that staff passwords for school systems are strong and updated on a regular basis, consistent with the Department's password policy.

UPDATING YOUR INFORMATION

We endeavour to ensure that information about students, their families and staff is accurate, complete and up to date. To update your information, please contact our school's general office.
